

Years You Have Worked in Clinical Research

(including full/part time employment and education).

Respondents represent a broad range of clinical research experience, from relative newcomers (over 10% have less than 3 years experience) to veterans in the field at least 15 years (over 15% of the total base).

	<u>Mean</u>	<u>Median</u>
Total base (N=1,590):	8.4	7
SoCRA Members (1,417):	8.4	7
Non-Members (143):	8.8	7
