

## **Planning on Taking the CCRP Certification Exam with SoCRA?**

BASE: Respondents NOT certified as CCRPs with SoCRA.

Overall, most (56%) non-SoCRA-certified respondents indicated that they are planning to take the CCRP exam with SoCRA.

However, the percent of non-certified **non-members** planning on taking the SoCRA exam (31%) is less than half the percent of non-certified **members** planning on taking the exam (63%). This difference is statistically significant.
