

## **Years as a CCRP Certified by SoCRA - Subgroups**

Question 18: “Please enter the number of years you have been certified with SoCRA.”

BASE: SoCRA-certified CCRP respondents only

Except perhaps for Canadian residence being negatively associated with longevity as a CCRP certified by SoCRA, the results below seem predictable. The number of years as a SoCRA CCRP is positively related to annual compensation, attendance at the SoCRA annual conference, and age.
