

SOCIETY OF CLINICAL RESEARCH ASSOCIATES

Greater Toronto Area Chapter presents:

Implementation of ICH E6R3 Good Clinical Practice in Clinical Trials

Speaker: Andrew Poznikoff

Quality Lead, Clinical Trials
Provincial Health Services Authority

Learning Objectives:

1. Learn how changes to international guidelines filters down to trial teams
2. Learn how Standard Operating Procedures (SOPs) are created and control trial conduct
3. Learn how to translate a SOP set into daily practice

DETAILS

Date:	Thursday, June 25, 2026
Time:	12:00 – 1:00 pm EST
Registration:	Virtual - register here Registration by each individual participant is required. You will receive a confirmation and a join event link unique to your registration. If you join using someone else's link, you may not receive an attendance certificate as registration information is used to ensure full name & email address are captured. <i>Notes: registration link may not work on a mobile device. It is recommended to access the link on a desktop computer. Check junk/spam folders. Invite will come from UHN Teams webinar.</i>
CE:	1 hour

Attendance and Certificate:

SOCRA members who attend at least 50 minutes of a one-hour meeting will receive an attendance certificate by email from the SOCRA Executive Office. When registering, please enter the name you would like on your CE certificate. Chapters will not be issuing certificates directly - if you do not receive your certificate within one month, please contact the SOCRA Executive Office at chapters@socra.org).
